Ali: Look here, Allah has given us eyes, ears, hands and brain. Allah has blessed us with beautiful and wonderful things. We should thank him for all these things and we can thank him by saying prayers.

Amir: Very well, I fear Allah and I love him very much. I am ready to go to masjid with you.

Early rising is a good habit as it gives us early start of our day's work. We gain time while the late risers are asleep. They do not have to put off anything to the next day. The early riser is always happy, fresh and smart.
